8. EoI Details:

Specifications for Developing NKDA's One City One App/Scope of Work

8.1 Job Description

a) About NKDA

The New Town Kolkata Development Authority has been constituted under The New Town Kolkata Development Authority Act, 2007 (The West Bengal Act XXX of 2007) for rendering various civic services and amenities within New Town, Kolkata and it has come into effect since November, 2008.

b) Core expectations from the service provider

- i. NKDA is proposing to develop a mobile app for Toto Ride Sharing in Android/iOS which shall be a ride hailing app for Toto by citizens and enable discovery of available toto by citizens for rides. **The Play store/ iOS account expense shall be borne by the selected vendor.** The admin shall have access to a dashboard to view all available toto locations, view emergency alerts by riders, register/ de-register any

toto, control toto stand information, add/ remove toto stands and control the online payout mechanism etc.

- ii. The solution must enable booking totes from toto stands based on the queue position in the toto stand (FIFO) and totes plying in the streets as well as (in case non-availability of Toto's in the stand)
- iii. Four modules are envisaged in the solution:
 - a. **Citizen App:** Check Availability > Connecting to TOTO Driver > Raise Complain/ dispute/ alerts > Pay drivers
 - b. **Toto Driver App:** View requests for ride > Accept/ Reject > Online/ Offline Payment > Duty Status ON/OFF > Status (*In toto stand to be booked as per queue position/ Plying in street*)
 - c. **Toto Stand Manager App:** QR CODE in stand for Toto drivers to register queue position (FIFO) > Controlling Queue > De-Queuing of TOTO > Admin to Add or Remove TOTO from Specific Stand > Raising e-KYC Request for New TOTO Driver. This APP will be optional depending requirement of Toto Stands.
 - d. **Admin Dashboard for NKDA:** NKDA KPI View > See All Live TOTO Locations > Control & Pass Any Emergency by Rider > De-register any TOTO > Register or Accept New TOTO e-KYC Request > Control TOTO Stand Information > Add/ Remove New Stand > Add/ Remove Stand > Control online payment mechanism.
 - e. **Integration with ICCC of New Town Kolkata** – Necessary API to be provided for integration with ICCC platform of NKDA. KPI for data, alerts are to be define during preparation of SRS.
 - f. Proving necessary API for booking, necessary payment through upcoming one city one app.
- iv. The selected vendor must design the detailed workflow to improve the above indicative processes.
- v. The Toto App shall have OTP as well as email/ password-based login. **Only SMS gateway shall be provided by NKDA.**
- vi. Service provider would provide end-to-end managed services for development and maintenance of the app/ web-app. Along with its usual core skills, the service provider will be required to position NKDA's app with
 - (a) online payment mechanism
 - (b) visually attractive and easy to navigate design
 - (c) Training modules for usage of app including in-app graphical tutorials, text and video-based tutorials.
 - (d) Map view of available totes

- vii. The App must have provision to display ads such as video/ images for revenue generation for NKDA. Admin dashboard should have the provision for enabled or disabled ads.
- viii. The app provides for/wishes to provide additional facilities to users such as automatic acknowledgements for feedback submitted, destination and source selection, search option for totes including advanced search option.
- ix. The admin dashboards should be compatible with all common web-browsers and Operating Systems on PC, Mobile and Tab platforms.
- x. The dashboard should provide NKDA with system generated monthly, quarterly and other reports as and when asked by NKDA to check app traffic details including details of users, rides requested/ booked/ rejected, increase in traffic, most searched etc. The solution should be compliant with W3C standards on “Web design and application”.
- xi. The service provider should provide NKDA with a module/ programme that tracks every change/update made in the app by mapping the IP address, username etc. of the personnel effecting the changes.
- xii. The service provider should ensure that the app is safe for malware activity/ hacking/ defacing attempts. The onus of installing the latest software to achieve this goal will be on the agency during the entire term of engagement.
- xiii. Hosting of the app in a MeITY empaneled Cloud Service provider. Server specification to be provided by the service provider. System should accommodate at least 1000 co-current user.
- xiv. Maintenance & necessary updation of the app for the entire period of contract.
- xv. A team member is to be assigned **permanently** for the duration of the contract to collect data from various toto stands, train the toto drivers for on-boarding into the app, resolve emergency alerts and address payment failures. During on-field support a minimum of 100 totes/ autos are to be on-boarded and trained by the vendor.
- xvi. An on-boarding cum training camp is to be held every quarter for 3 years (12 nos.) for Toto drivers and citizen users. Support is to be provided in case any other camp is organized by NKDA.
- xvii. The vendor is to provide support for the duration of the contract to resolve emergency alerts and address payment failures.

c) Updating requirements on the app

- I. Change Requests: NKDA shall submit change requests for application modification from time to time
- II. The app should be able to receive and convey updated information without any time lag.
- III. Maintaining strict confidentiality of all customer and driver details is an absolute prerequisite.

- IV. Administrative dashboard and other modules may be needed to be changed based on in-field observations, learnings, government regulations and best practices

8.2 Platform and Database

- a) The ownership of entire data hosted in NKDA's app, in all forms including text, data, graphics, animations, audio/video content, etc., rests only with NKDA. Similarly, the ownership of all source codes of software used for the purpose of hosting the contention NKDA's official app would rest with NKDA. NKDA reserves the right to change the service provider for maintenance with one-month notice period.
- b) The app will be hosted on MeITY empaneled Cloud servers for the entire period of contract with a backup copy on NKDA server.
- c) Registration Data is to be received through in-app forms. Photographs are to uploaded of drivers in JPEG or other formats. Discount facility may be enabled as decided by NKDA.

8.3 Some Requisites

- a) The app must be available 24x7x365 with 1% downtime tolerance. Security and integrity of the database and the app has to be maintained under all circumstances.
- b) Timeliness, uninterrupted service, volumes, quick response time and confidentiality are uncompromised requirements of the NKDA app. User friendliness is an equally important feature of the site.
- c) There is no scope for error in placing information on the app at the scheduled time, neither before nor after, and keeping it confidential till then NKDA considers error in this to be a reputation risk for itself and, therefore, unacceptable.
- d) **Go-Live:** The service provider is required to complete development of the new app by 3 months including design, redirecting to relevant webpages, patch VAPT anomalies, Security audit by CERT-In emplaned agency.
- e) Enhancement of the features of the app should be a continuous exercise.
- f) Interactive modules/ portals to be added with provisioning for incorporation of modules with a special focus on present and future requirements.
- g) Quick support in all days in case of any technical and operations issues.

8.4 Back-up and audit of app

- a) Back-up of the app with all content, script, software and other files is to be provided to NKDA on a monthly basis.

- b) The service provider will be responsible for installing anti-hacking/phishing related software.
- c) Each service provider should prove his ability to provide the following technical services/ meet the technical expectations in a clear manner in the same sequence as specified below:
 - i. Should have expertise in configuring, installing and maintaining licensed software (if any) required for proper hosting of app with latest anti-virus with all critical updates to be installed in the server.
 - ii. All software should be regularly patched/ updated.
 - iii. The service provider should use SLA metric for back-up and maintenance.
 - iv. Service provider should have a governance structure in place to report to NKDA's team on daily, weekly and monthly basis and the solution should allow downloading of standard and custom reports on the monitoring status.
 - v. Service provider should do 24X7X365 security monitoring of NKDA's app developed by them (coding point of view) to detect attacks and alert about suspicious events that may lead to breach of security.

8.5 Period of Assignment

The duration of the contract is as under:

Particulars	Duration
Design, Development and cloud hosting of Toto Ride Hailing App for New Town Kolkata with 3 years of maintenance	3 months
Maintenance, Operation & support	3 yrs from the date of Go-Live

8.6 Eligibility Criteria/Who can apply?

- a) A company/ partnership firm/ proprietary firm which shall provide evidence that it is a current legal entity in India, with impeccable repute in managing equally large and data-oriented apps, with at least 5 years' experience in managing similar android/iOS apps.
- b) The bidding company/ partnership firm/ proprietary firm must warrant that no legal action has been taken or being undertaken against it for any cause in any legal jurisdiction. **Declaration to be submitted.**
- c) The bidding company/ partnership firm/ proprietary firm should have a development office in Kolkata along with personnel for designing, coding and data base management team in house. Details (CV) of the manpower to be uploaded.

d) **Credentials required**

Sl. No.	Eligibility Criteria	Document to be submitted
1	A company/ partnership firm/ proprietary firm which shall provide evidence of design deployment of mobile app of at least Rs 5,00,000/- (within India) of three nos in last 5 yrs from any Government/ reputed Private. Organization. Reputed private organisation implies national and international MNCs. A maximum of two nos of experience of private organisation can be provided with at least one government app development experience submission mandatory.	Work Order/ Completion certificates issued by the client Payment certificate will not be treated as credential.
2	<ul style="list-style-type: none"> • The bidder may be a Company, Partnership Firm or Sole Proprietorship Firm • Bidder shall be a single entity • The bidder shall be solvent on the date of bidding 	<ul style="list-style-type: none"> • Documentary proof for business operation in India • Copy of solvency certificate issued by banker
3	<p>Other Mandatory legal documents</p> <ul style="list-style-type: none"> • Trade license in Kolkata • GST Certificate • Income Tax Return (FY 2019-20, 2020-21,2021-22) • Copy of PAN card • Professional Tax Clearance Certificate for financial year 2021-22 	<p>Copy of valid documents.</p> <p>Trade License and GST are separate documents and both need to be submitted. In case of non-availability of Trade License in Kolkata then the above clause (8.6.d.) applies to undertake declaration in stamp paper that Service Provider will open a development office along with personnel for content writing/editing, designing, coding and data base management team in house within 15 days after issuance of Letter of Intent (LoI). Failing the same LoI/ Contract will be terminated.</p>

- e) A company/ partnership firm/ proprietary firm should have the **minimum average turnover of Rs 50 Lakhs** in software developmental work in last 3 (three) financial year. Copy of the balance sheet to be uploaded last 3 (three) financial year
- f) A company/ partnership firm/ proprietary firm upload bank solvency certificate of Rs 5,00,000/-.
- g) Selected service provider shall appoint a single point of contact with whom NKDA will interact and should be subject matter/domain experts to interact with the technical team in NKDA.
- h) Joint Ventures/MOU will not be allowed as credential.**

i) Work Schedule Breakup:

Particulars
Issue of work order
Signing of agreement
Submission of Software Requirement Specification (SRS)
Development of new mobile app
Presentation of management and feedback on the New app
Modification based on feedback and presentation of app by agency
Approval of newly designed app by NKDA
Onboarding of New Town totes
Trail run & testing
Security Audit, VAPT and patching
App launch
Maintenance & updation till the contract period

The total time for full project implementation will be 3 months from the date of signing of the contract. NKDA expects the service provider to submit a clear road map for achieving this target.

9. Pre-bid queries

All pre-Bid queries will be responded through email sm@nkda.in. All clarification/ queries are to be submitted as per format in Annexure IV.

10. Period of bid validity

The Bids shall be valid for a period of six months from the closing date for submission of the bid.

11. Evaluation

NKDA will evaluate the bids following the process in Technical evaluation. Financial bids will be opened with technically qualified bidders.

12. Terms of Payment

Following would be the payment schedule for each Phase:

Milestone	Payment details	Deliverables
On Go-Live live deployment with handing over all requisite deliverables	70% of quoted value of Design & Development	1. Signed SRS 2. UI/UX Design of the

		App/ Dashboard 3. MIS report design 4. High level design diagram 5. Source Code with database 6. Source Code & database documentation 7. Credential of cloud server, app users, database. 8. SSL Certificate. 9. Testing report 10. Security Audit Report 11. Training manual 12. Hosting to be made in Cloud empanelled under the Ministry of Electronics and Information Technology, Government of India. An updated backup copy of the solution to be made available in NKDA server as well.
After 3 months of Go-Live	30% of quoted value of Design & Development	1. App Uptime report. 2. Performance report. 3. Work undertaken during that period counter signed by NKDA officials.
AMC end of 1 st Year	30% of quoted value of AMC	1. Updated source code & database with documentation. 2. Work undertaken during that period counter signed by NKDA officials.
AMC end of 2 nd Year	30% of quoted value of AMC	-do-
AMC end of 3 rd Year	40% of quoted value of AMC	-do-

Since the ownership of the source code used for customizing and hosting on NKDA's app rests with NKDA, the source code must be handed over to NKDA immediately after completion of development and porting of the data. Whenever, there is any modification/ addition in the source code during warranty/ AMC period, the modified/ changed source code must be handed over immediately to NKDA. The

ownership of source code and related Intellectual Property Right (IPR) with reference to NKDA's corporate app will lie with NKDA only.

13. Signing of Contract

The tenderers are bound by the terms & conditions of WBF 2911(ii) along EoI, terms & condition, Information to Bidders, Schedule of works etc, which forms a part and parcel of this contract.

14. Penalties

- a) The service provider will provide the app designing and other services as per the service level specified in EoI. In case these service level can not be achieved or the inability of the proposed services (entire IT Infrastructure provided by the service provider for example hardware, software etc.) to meet the scope of work as defined in the EoI document, delay in implementation and roll out or deliver the required functionality at service levels defined in this EoI at the specified volumes shall result in a breach of contract and invoke the penalty clause.
- b) In case of delay in Design, development and go-live of the app within 3 (three) months of the issue of work order, then a sum equivalent to 1% (one percent) of the total contract value shall be deducted from the payment for each calendar week of delay or part thereof.
- c) In case of maintenance support for the contents of the App, a penalty of Rs 5000 (Five thousand) per day will be levied if the support is not provided within 24 hours of the call being logged.

15. Right of NKDA to accept or reject the bid

- a) NKDA reserves the right to accept/reject any or all offers submitted in response to this without assigning any reason whatsoever.
- b) NKDA reserves the right to short-list the service provider based on the requirement of this authority and may call service providers for a presentation or otherwise before an evaluation committee, at service provider's cost.
- c) NKDA shall be entitled to terminate the agreement with the service provider at any time giving 30 days prior written notice to the service provider if the service provider breaches its obligations under the EoI or the subsequent agreement and if the breach is not cured within 15 days from the date of notice by NKDA.

16. Effect of Termination

The service provider agrees that it shall not be relieved of its obligations under the reverse transition mechanism notwithstanding the termination of the assignment.

Reverse Transition mechanism would typically include service and tasks that are required to be performed/ rendered by the service provider to NKDA or its designee to ensure smooth hand over and transitioning of NKDA's deliverables and maintenance. The reverse transition will be for the period of 1 month post the notice period.

- a) Same terms (including payment terms) which were applicable during the term of the contract should be applicable for reverse transition services.
- b) In case the NKDA wants to continue with the service provider's services after the completion of this contract then the service provider shall offer the same or better terms to this authority. Unless mutually agreed, the rates shall remain firm.
- c) This authority shall make such prorated payment for services rendered by the service provider and accepted by NKDA at the sole discretion of NKDA in the event of termination, provided that the service provider is in compliance with its obligations till such date. However, no payment for "costs incurred, or irrevocably committed to, up to the effective date of such termination" will be admissible. There shall be no termination compensation payable to the service provider.
- d) Termination shall not absolve the liability of NKDA to make payments of undisputed amounts to the service provider for services rendered till the effective date of termination. Termination shall be without prejudice to any other rights or remedies a party may be entitled to hereunder or at law and shall not affect any accrued rights or liabilities or either party nor the coming in to force or continuation in force of any provision hereof which is expressly intended to come into force or continue in force on or after such termination.

17. Liability of the selected service provider

- a. NKDA shall hold the selected service provider fully liable against loss or liability, claims, actions or proceedings, arising out of non-fulfilment of any obligations under the contract.
- b. Selected service provider shall be the principal employer of the employees, agents, contractors, subcontractors etc. engaged by Selected service provider and shall be vicariously liable for all the acts, deeds or things done by its employees, agents, contractors, sub-contractors etc., whether the same is within the scope of power or outside the scope of power, vested or instructions issued by the NKDA under the contract to be issued for this EoI. Such liability of the Selected service provider will be restricted to the actual amount of the contract.
- c. However, the selected service provider would be given an opportunity to be heard by NKDA prior to making of a decision in respect of such loss or damage.
- d. "Notwithstanding anything to the contrary elsewhere contained in this or any other contract

between the parties, neither party shall, in any event, be liable for any indirect, special, punitive, exemplary, speculative or consequential damages, including, but not limited to loss of income or profits."

18. Pricing

It is absolutely essential for the service provider to quote the lowest price at the time of making the offer in its own interest. In the event of NKDA not satisfied with the Price Discovery in this process, this authority reserves the right to initiate the tendering process again through Limited or Open EoI.

19. Information Ownership

All information processed, stored, or transmitted by service provider be longs to NKDA. The service provider understands that civil, criminal, or administrative penalties may apply for failure to protect information appropriately.

20. Publicity

Any publicity by the service provider in which the name of NKDA is to be used should be done only with the explicit written permission of NKDA.

21. Privacy & Security Safeguards

The service provider shall not publish or disclose in any manner, without NKDA's prior written consent, the details of any security safeguards designed, developed, or implemented by the service provider under this contract or existing at any this authority. The service provider shall develop procedures plans to ensure that IT resources leaving the control of the assigned user (such as being reassigned, removed for repair, replaced, or upgraded) are cleared of all NKDA data and sensitive application software. The service provider shall also ensure that all subcontract or who are involved in providing such security safe guards or part of it shall not publish or disclose in any manner, without NKDA's prior written consent, the details of any security safeguards designed, developed, or implemented by the service provider under this contract.

22. Non-Disclosure Information

The selected service provider shall not, without NKDA's prior written consent, disclose any specification, Software Requirement Specification (SRS), drawing, design sample, or information furnished by or on behalf of NKDA in connection therewith, to any person other than a person employed by the service provider in the performance of the work assigned to them. The selected service provider shall be required to sign a Non-Disclosure Agreement/Confidentiality Undertaking with NKDA as per the prescribed format provided in Annexure-III.

23. Prospective applicants are advised to note carefully the eligibility criteria before tendering the bids.

24. Conditional / Incomplete EoI will not be accepted under any circumstances.

25. The intending tenderers are required to quote the rate online.
26. During scrutiny, if it comes to the notice of the EoI inviting authority that the credential or any other paper found incorrect / manufactured / fabricated, that bidder would not be allowed to participate in the EoI and that application will be rejected without any prejudice.
27. If any discrepancy arises between two similar clauses on different notification, the clause superseding others will be solely as per the discretion of the EoI inviting authority.
28. In case of any inadvertent typographical mistake in the specific price schedule of rates, the same will be treated to be so corrected as to confirm with the prevailing relevant schedule of rates and/or technically sanctioned estimate.
29. NKDA will not be held responsible for making payment against any anticipated profit and/or compensation for any losses or price escalation whatsoever for the works as stated in the annexure of this NeIT. Rates should be quoted accordingly.
30. Arbitration clause of WBF 2911(ii) stands deleted, Settlement of disputes & arbitration shall be according to the 'Memorandum' for the modifications of clause relating to settlement of disputes under conditions of contract vide no. 8182-F(Y) dated: Kolkata, the 26th September, 2012 of Secretary to the Govt. of West Bengal, Finance Department, Audit Branch.
31. Before issuance of WORK ORDER, the EoI Inviting Authority may verify the credential and other documents of the lowest tenderer in original, if found necessary. After verification if it is found that the documents submitted by the lowest tenderer is either manufactured or false in that case work order will not be issued in favour of the said Tenderer under any circumstances and his/their offer will be treated as cancelled.
32. Any Corrigendum, notification in connection to this EoI will be published in the official website of New Town Kolkata Development Authority (www.nkdamar.org) as well as <https://wbtenders.gov.in>. The applicants are requested to please follow the websites for such notifications, corrigendum etc.
