The following issues were raised discussed in the meeting:

- a) It was agreed upon that, number of shops can be varied slightly according to respective design & plot size. The size of shops can also vary but should be sufficient for appropriate usage.
- b) Provision of lift & ramp may be kept by the architect other than stairs.
- c) Number of parking to be provided and mandatory open space must comply with the requirement as per norms
- d) All documents except Power Point Presentation (PPP) shall have to be submitted on 28.09.2011
- e) If number of participants are more, the PPP may be continued for more than one days. The participants will be accordingly intimated.

The meeting concluded with thanks.
