

NEW TOWN KOLKATA DEVELOPMENT AUTHORITY

(A Statutory Authority Under Government of West Bengal)
3, Major Arterial Road, New Town, Kolkata - 700 156

Memo No. 5088/NKDA/Admin/21

Date: 04.05.2021

TO
THE PRESIDENT/SECRETARY,
ALL RESIDENT WELFARE ASSOCIATIONS - RWAs
NEW TOWN KOLKATA.

ADVISORY TO ALL RESIDENT WELFARE ASSOCIATIONS TO FOLLOW COVID-19 GUIDELINES FOR HOME ISOLATION IN NEW TOWN, KOLKATA

It is noticed that, some patients affected with COVID-19 and suggested Home Isolation residing at different Housing Blocks and Gated Communities are not following COVID-19 guidelines strictly. Support and cooperation from your side is highly needed in reducing the transmission of infection in the community.

In this regard, following advisories are to be followed by all RWAs which need to be communicated and implemented upon. If any person violating the covid-19 guidelines would be penalized legally. Please call New Town Kolkata helpline number 18001037652 for covid related information or support.

General COVID Advisory Guidelines For Resident Welfare Associations(RWAs):

- Face mask must be enforced when going outside. It is important to use face mask properly covering the mouth and nose.
- Use sanitizer after touching door/handle/other frequently touched objects within public transport as well as in public areas like hotel, pubs, eateries, shops etc.,
- Avoid partying in closed space, overcrowded areas. Physical distancing to be maintained all the time.
- DO NOT go outside for any activities if you are having fever or not well.
- Proper crowd management inside and outside premises like parking lots, waiting areas, stalls and eateries etc.,- duly following physical distancing norms.

- Authorities are directed not to allow anyone to enter shopping areas/public places if mask is not used properly. Provision of thermal scanning, self-dispensing sanitizers, masks are essential. Authorities should arrange for increased number of payment counters and encourage digital transaction to avoid unnecessary contacts.
- DO NOT use sanitization tunnel. DO NOT spray harmful chemicals on body.
- Preferably avoid live cultural programmes and crowding.
- Please get yourself tested if you are feeling unwell. Free test available at New Town Covid Rapid Testing Centre (Webel-Fujisoft-Vara, Centre of Excellence near Jain Ashram).
- Please get yourself vaccinated if eligible. Covid vaccination available at NKDA Vaccination centres at CB market community hall and at GF, Terminus Building, BG-12, Beside Pride Hotel.
- Use NKDA provided yellow plastic to dispose biomedical waste if you are in home isolation.
